

Welcome to By The Bay Cabin

Welcome to our home! We purchased this home a few years ago and have been slowly renovating it every year. We hope you enjoy your time at the cabin like we do. Here's a few things you should know.

Heating & Cooling System

We have electric heat as well as a Mini Split system for heating and cooling. The main living room and each bedroom has a mini split unit that you control with a remote. We ask that you do **NOT** use the electric heat (the dials on the walls in each room) as it is extremely costly.

Furniture

We ask that you do **NOT** put anything on the kitchen table, kitchen island, or any of the furniture without a coaster or some way of protecting it. Most items we built ourselves and we do **not** want them getting damaged. Please wipe down with a dry rag if water does get onto the furniture.

Fireworks & Fires

With it being so heavily wooded we do **NOT** allow any fireworks of any kind. We have added a small firepit to our outside area — please see the info taped on the fridge regarding the open fire.

Smoking

Absolutely **NO** smoking inside. If you do smoke outside, please make sure you properly extinguish and dispose of it.

Animals

We do **not** allow animals at our home.

Parties

We do **not** allow large parties at our home. **No** bachelorette or bachelor parties at all. This is a quiet neighborhood and we try to respect all our neighbors. Quiet time is between 10pm & 7am per Antrim County ordinance.

Driving on the Road

There is a strict 15 MPH speed limit on the private road to get to our home. Many children are out running, biking, or walking. There are a few blind corners, so please be respectful and take your time.

Beach Access

We share a small beach with our neighbors, for owners and their families only. You may use the path to access the water, but the seating chairs, picnic table, and swing are privately owned and **cannot** be used. For a beach day, Antrim Park is 3 miles north on Old Dixie Hwy with a 1-mile public beach and great hiking. Barnes Park and Torch Lake (both in Eastport) are also great options.

TV & Wifi

We have Roku sticks or smart TVs in all living spaces. You'll need to log in with your own accounts to access features beyond free TV — please log out when you leave.

WIFI network: Bobbi's Place Password: 12680000

Linens

Extra linens for the futon beds are in the closets in the upstairs bedrooms. Pullout sofa linens and pillows are in the master bedroom closet.

Good to Know

This area tends to lose power frequently due to the heavy woods. It generally comes back on within a few hours.

We have a gas grill available for your use — please clean all utensils and turn off the gas when you're done.

We can be reached at 303-918-1942, or our co-host Kim at 1-231-357-7087.

Check-Out Responsibilities

- Remove all food from refrigerator, freezer, and cupboards.
- Remove all trash and debris from the home and yard. Deposit trash in the bin at the end of the driveway (pickup is every Friday).
- Make sure all dishes have been washed in dishwasher and put away prior to check out.
- If you used the grill, confirm the gas has been shut off.
- Leave all towels in the bathtub or on top of the washer.
- Please do **not** strip the beds or pillows.
- Check under beds and furniture for personal items.
- Make sure all TV remotes are back by the TV and you're logged out of streaming accounts.
- Close all windows and lock all doors — use your personal code to lock the front door.
- Turn off all lights.

If personal property is left behind and needs to be returned, we will ship for \$10.00 + COD.

Thank you! We hope you enjoyed the home and area as much as we do, and we hope to have you return again!

Where to Eat

Our location has its benefits when you want quiet time, but places to eat are less varied than in the city. Here are a few of our favorites nearby.

Torch Lake Café — the closest restaurant/bar to our home, best Olive Burgers around, live music throughout the year. Approx. 4 miles away.

US-31 N. Central Lake, MI 49622

Things to Do

From a trip up to Mackinac Island to Traverse City's Cherry Festival, there are endless things to experience. Check each local town's website for events — Charlevoix and Elk Rapids both have weekly farmers markets. Festivals run all summer depending on the weekend you visit. We hope you enjoy your stay in beautiful Michigan!

Public Beaches & Boat Launch

There's a wonderful beach at Torch Lake just a few miles from here, also accessible from Antrim Creek Natural Area. You can launch your boat at Torch Lake or Barnes County Park.

Please return all games after use — the cornhole game is **NOT** waterproof and will get damaged if it gets wet.

Thank you!
